VACANCIES IN COUNTY OFFICES

Member, Board of Supervisors (Charter County) Article IV Section 7

The County of Sacramento adopted a charter that governs the process for filling vacancies in the office of Member, Sacramento County Board of Supervisors.

Notwithstanding any other provisions of law, whenever a vacancy occurs in the office of Member, Sacramento County Board of Supervisors, the vacancy shall be filled as follows:

If a vacancy occurs during the first 730 calendar days of a term of office, the vacancy shall be filled by a special election. Within ten days after the vacancy occurs, the Registrar of Voters shall select and announce a date for a special primary election and a date for a special run-off election to be used if a run-off election is necessary.

The Registrar of Voters shall also select and announce a final filing date for filing to be a candidate, which date shall provide for at least ten days advance notice thereof. The election dates selected shall be the earliest administratively feasible dates available; provided, that the date for the special primary election shall not be more than 60 days after the vacancy occurs and the special run-off election date shall not be more than 28 days after the special primary election date.

Except as provided in this Section, the special election shall be conducted in accordance with State law applicable to regular supervisorial elections. If a candidate receives a majority of the votes cast at the special primary election, that candidate shall be elected for the remainder of the term of office. If no candidate receives a majority of the votes, the names of the two candidates receiving the most votes shall be placed on the ballot for the special run-off election at which the candidate receiving the most votes shall be deemed elected for the remainder of the term of office.

If a vacancy occurs during or between the 731st and the 1,095th calendar days of a term of office, the vacancy shall be filled for the remainder of the term by appointment by the Board of Supervisors. If within thirty calendar days following the date on which the vacancy occurs an appointment has not been made, the vacancy shall be filled by special primary and run-off elections scheduled in accordance with the procedures and in the manner prescribed by paragraph (a), above; provided that the times within which the elections must be scheduled shall be 90 days after the vacancy occurs for the special primary election, and not more than 28 days after the special primary election for the special run-off election.

If the vacancy occurs during or between the 1,096th and 1,399th calendar days of a term of office, the vacancy shall be filled by appointment by the Board of Supervisors. If the Board of Supervisors fails to make an appointment, the vacancy shall be filled by the person elected for the succeeding term at either the June primary or November general election, who shall serve both the remainder of the unexpired term and the next succeeding term for which the person was elected.

If the vacancy occurs during or between the 1,400th and 1,460th calendar days of a term of office, the vacancy shall be filled by the person elected for the next succeeding term at the June primary or November general election, who shall serve both the remainder of the unexpired term and the next succeeding term for which the person was elected.”

VACANCIES IN COUNTY OFFICES

Elected County Offices

- Assessor
- Board of Supervisors
- District Attorney
- Sheriff

The board of supervisors shall fill by appointment all vacancies that occur in any office filled by the appointment of the board and elective county officers, except judge of the superior court and supervisors. The appointee shall hold office for the unexpired term or until the first Monday after January 1st succeeding the next general election. Government Code § 25304

If on the first Monday after January 1 following a general election the person elected to an elective county office has resigned or died, the board of supervisors shall provide that the office which was made vacant shall be filled at the next regularly scheduled election. The board of supervisors may appoint a person to temporarily carry out the duties of any office to be filled by such an election and that person shall serve until the results of the election are declared.

The person elected shall serve for the remainder of the term which began on the first Monday after January 1 immediately preceding the election. Government Code § 25304.5

Terms of Office

County offices are up for election every four years at the Gubernatorial Primary and General Elections.

While the law for filling vacancies in county offices does not specifically call for a primary and run-off election should no candidate receive more than 50% of the vote, the decision in past vacancies has been to conduct the vacancy election as we would a regular election with a primary and general run-off election if needed as indicated by Elections Code 8000 and 8140.

A regularly scheduled election for the county is held in June (Primary) and November (General) of even-numbered years.

Assembly Bill 759 (2021-2022) provides for a one-time 6-year term for a district attorney or sheriff elected in 2022 to align elections for these offices with the 2028 March Presidential Primary Election.

VACANCIES IN SCHOOL DISTRICTS

1. What Causes a Vacancy

Vacancies on school district governing boards or community college district boards are caused by any of the events specified in Government Code 1770, or by a failure to elect. A vacancy resulting from resignation occurs when the written resignation is filed with the County Superintendent of Schools having jurisdiction over the district. Education Code § 5090

A deferred effective date not to exceed 60 days may be specified by the incumbent, in which case, the resignation becomes effective on that date. Upon being filed with the County Superintendent of Schools, the written resignation is irrevocable. Education Code § 5091(a)

2. Action Required by the Governing Board

Whenever a vacancy occurs, the school district or community college district governing board has one of two options available. Either of these two options must be exercised within 60 days of the date a vacancy occurs or the date of a deferred resignation is filed with County Superintendent of Schools:

- a.) Immediately call an election to fill the vacancy; or
- b.) Make a provisional appointment Pursuant to the Education Code

In the event that the governing board fails to make a provisional appointment or order an election within the prescribed 60-day period as required by this section, the County Superintendent of Schools shall call an election to fill the vacancy. Education Code § 5091(2)

Although not required by law, as a matter of practice, a copy of the resignation, and copies of any notices, appointments, resolutions calling election, etc. should be sent to the Sacramento County Elections office as soon as possible.

There shall be no special election or appointment to fill a vacancy on a governing board if the vacancy occurs within four months of the end of the term of that position.
Education Code § 5093(a)

Education Code section 5091 shall not apply to a vacancy on a governing board if the vacancy occurs, or a resignation specifying a deferred effective date is filed with the County Superintendent of Schools, during the period between six months and 130 days prior to a regularly scheduled governing board election and the position is not scheduled to be filled at such election.

In such a case, the position shall be filled at a special election for that position to be consolidated with the regular election. Education Code § 5093(b)

If the special election pursuant to Education Code Section 5091 could be consolidated with the next regular election for governing board members, and the vacant position is scheduled to be filled at such regular election, there shall be no special election.
Education Code § 5093(c)

A copy of the notice should be sent to the Sacramento County Elections Office.

6. Contents of Public Notice

The notice to be posted and published must state the following:

- a.) The fact of the vacancy or resignation and the date of the occurrence of the vacancy or the date of the filing of, and the effective date of, the resignation, and

Elections Code § 100

Filing the Petition: The petition must be filed with the County Superintendent of Schools within the 30-day period following the making of the provisional appointment.

(a) Within 30 days from the date of filing of the petition, excluding Saturdays, Sundays, and holidays, if, from the examination of petitions pursuant to Section 9114 shows that more than 500 signatures have been signed on the petition, the elections official may use a random sampling technique for verification of signatures. The random sample of signatures to be verified shall be drawn so that every signature filed with the elections official shall be given an equal opportunity to be included in the sample. The random sampling shall include an examination of at least 500, or 3 percent of the signatures, whichever is greater. A signature shall not be invalidated because of a variation of the signature caused by the substitution of initials for the first or middle name, or both, of the person signing the petition. Elections Code § 9115

(b) If the statistical sampling shows that the number of valid signatures is within 95 to 110 percent of the number of signatures of qualified voters needed to declare the petition sufficient, the elections official shall, within 60 days from the date of the filing of the petition, excluding Saturdays, Sundays, and holidays, examine and verify the signatures filed. If the elections official determines, prior to completing the examination of each signature filed, that the petition is signed by the requisite number of qualified voters to declare the petition sufficient, the elections official may terminate the verification of the remaining unverified signatures.

(c) In determining from the records of registration, what number of valid signatures are signed on the petition, the elections official may check the signatures against facsimiles of voters' signatures, provided that the method of preparing and displaying the facsimiles complies with law.

(d) The elections official shall attach to the petition a certificate showing the result of this examination and shall notify the proponents of either the sufficiency or insufficiency of the petition.

VACANCIES IN SCHOOL DISTRICTS (CONTINUED)

(e) If the petition is found insufficient, no action shall be taken on the petition. However, the failure to secure sufficient signatures shall not preclude the filing later of an entirely new petition to the same effect.
