## ABOUT REPORTS

### General Information

Reports described in this booklet are generated from the database of registered voters, maintained by Voter Registration and Elections and are available for a fee. This booklet describes the type of information available and the requirements, including fees, for purchasing reports.

The database is composed of registered voters in Sacramento County only. For reports of registered voters in other counties, you should contact the Elections Department in those counties.

Most records are public records and are generally available for public inspection and use. Some records, however, are not available for public use or are restricted in some manner.

### Registration Information

“Registration Information” means all information maintained in the general index to the Affidavits of Registration, whether in electronic form or in the Index of Registered Voters, pursuant to Elections Code Section 2180. This includes all information partially or solely derived from the aforementioned data whether displayed, transmitted or stored in any format or on any media whatsoever (Administrative Code Section 19001).

### Available Media

Reports are currently available on different mediums (VRE Website, Email, CDs, and paper). Please refer to “Ordering Instructions” and “Available Reports” for more information. Some reports are available only on specified mediums.

## RECORDS ACCESS

Table 1 shows examples of permissible and non-permissible uses of voter registration information.

The applicant further agrees not to sell, lease or deliver possession of the registration information, or a copy or any portion thereof, to any person, organization or agency without receiving prior written authorization to do so from Sacramento County Voter Registration and Elections.

### Penalties for Unauthorized Use

Any unauthorized use shall result in a penalty equal to the sum of \$.50, multiplied by the number of registration records used in an unauthorized manner (Election Code Section 18109 and Administrative Code Section 19007). For example, if an unauthorized use resulted in a mailing to all registered voters in Sacramento County, the penalty would be approximately \$341,526.

### **Anticipated Elections**

Voter Registration and Elections includes in its annual budget the estimated cost of regularly scheduled and anticipated special elections. Any additional contest in a regularly scheduled election that increases the number of ballot cards will be charged for the actual cost of the additional ballot card. ### **Candidate Filing Fees**

Candidates for a county office or a judicial office in Sacramento County shall pay a fee equal to 1% of the annual salary for that office. There is no filing fee for an office for which there is no fixed salary or for an office with a salary of \$2,500 annually or less. (Election Code Section 8104)

Filing Fees for all judicial candidates must be paid at the time the declaration of intention is filed. All filing fees are nonrefundable. (Election Code Section 8105(b))

Filing fees may be offset or reduced by filing signature-in-lieu-of-filing-fee petitions. (Election Code Section 8106)

### **Candidate Statements**

Candidate statements are printed in the Voter Information Guides mailed to registered voters. Each candidate for any nonpartisan local office or for voter nominated legislative office (if he/she agrees to campaign expenditure limitations) may voluntarily submit a candidate statement of qualifications.

Voter Registration and Elections will estimate the total cost of printing, handling, translating, and mailing candidate statements. Fees are paid by the candidate or by the district calling the election. Candidates are required to pay the fee at the time they file their nomination papers. If the estimated fee is high than the actual fee, the difference will be refunded after the election. If the estimate is lower, the candidate will be billed for the difference. (Election Code Section 13307)

Sacramento County is required to provide election materials and services in English and all other required languages. The cost of the translation is included in the estimated cost of a candidate statement. (Election Code Section 13307).

Please refer to the current **“Candidate’s Guide”** for additional information.
