## VOTERS WITH DISABILITIES

### People First

Sacramento County Voter Registration and Elections staff understands that voters with specific needs are people, and their disability does not define them.

### Precinct Officer Training

All Precinct Officers working at a polling place on Election Day are trained to provide assistance to voters with specific needs. Our goal is to allow every voter to vote independently and privately.

### Polling Place Accessibility

Each election, polling places are selected using the Americans with Disabilities Act (ADA) guidelines. If you have any questions regarding polling place accessibility, contact us at (916) 875-6100.

### Accessible Voting Supplies

All polling places have a wheelchair accessible voting booth and a magnifying glass to ensure voters with specific needs have the tools necessary to cast their vote.
