BALLOT COUNTING COMPLETED

Sacramento County Registrar of Voters Jill LaVine announced today that ballot counting for the November 2, 2010 Consolidated General Election has been completed and official results have been posted online. By law, counties have 28 days following an election to process all of the remaining ballots.

“The official turnout for Sacramento County in the Statewide Primary Election was 63 percent” said Jill LaVine, Registrar of Voters. LaVine notes that of the ballots cast, 55 percent of voters cast their ballot by mail, while 45 percent did so at a polling place.
