Sacramento County Special Primary Election Update

Elections Office Conducts Logic and Accuracy Testing for the March 8 Special Primary Election

Sacramento County Registrar of Voters Jill LaVine announced today that logic and accuracy testing on the voting machines for the March 8, 2011 Special Primary Election will begin on February 7 and run continuously until completed. "Interested parties can observe our testing of each machine for accuracy in the tabulation of votes," said LaVine.

If interested in viewing this procedure, please contact Alice Jarboe at (916) 875-6761 for the schedule.

Governor Brown called a March 8 special election for the 4th Assembly District (AD4) to replace Assemblyman Ted Gaines who was elected to the state Senate last month. AD4 covers parts of Sacramento, Placer, El Dorado and Alpine County. LaVine said Sacramento County has the smallest piece with fewer than 40,000 voters. Under the state's new top-two primary system, candidates will compete for the seat on March 8. If no one wins a majority then, the top two vote-getters, regardless of party, will advance to a runoff on May 3.

See the [AD4](#) map on the Elections website for the district boundaries in Sacramento County.
