## **SACRAMENTO COUNTY REGISTRAR OF VOTERS ELECTION UPDATE**

### **Isleton Special Election** **Ballots to be Manually Tallied**

Sacramento County Registrar of Voters Jill LaVine announced that the Isleton Special Election to be held on August 30, 2011, contains only one voting precinct which will be manually tallied during the canvass. This manual tally is conducted to ensure the accuracy of the vote before certifying election results.

LaVine notes this is not a new process; it is required by California law and done routinely following each election. "This is one of our checks and balances procedures we do to ensure accuracy of our vote tabulation equipment," says LaVine.

For date and time, or if interested in viewing the tally process, please contact Alice Jarboe, at 875-6255.
