Manual Tally of Ballots Ensure Accuracy Public and media invited to observe precinct selection

On Monday, November 5, 2012, Sacramento County's Registrar of Voters Jill LaVine will select the precincts to be included in the 1% manual tally for the November 6 General Election. The manual tally is required by California law.

"For this election, it means all ballots cast at seven of the County's 636 precincts will be counted manually to ensure the accuracy of our vote tabulation equipment before certifying election results," said LaVine.

The Manual Tally will begin Wednesday following the election.
